

FREIGHT TRAIN

(F), (C7), (F)8

CHORUS: (F) Freight train, freight train, (C7) run so fast

Freight train, freight train, (F) run so fast

(A) Please don't tell what (Bb)train I'm on

So they (F) won't know what (C7) route I'm (F) gone.

F) When I'm dead an' (C7) in my grave

No more good times (F) here I crave.

(A) Place the stones at my (Bb) head an' feet

And (F) tell them all that (C7) I'm gone to (F) sleep.

CHORUS

(F) When I die, Lord, (C7) bury me deep

Way down on old (F) Chestnut Street

(A) So I can hear old (Bb) "No. 9"

As (F) she comes (C7) rolling (F) by.
