

Let Your Love Flow

There's a (A) reason for the (Amaj7) sunshine sky

And there's a (A) reason why I'm feeling so high

Must be the (E) season when that love light shines all a (A) round us

So let that (A) feeling grab you (Amaj7) deep inside

And send you (A) reeling where your love can't hide

And then go (E) stealing through the moonlit nights

With your (A) lover (A7)

Chorus:

Just let your (D) love flow like a mountain stream

And let your (A) love grow with the smallest of dreams

And let your (E) love show and you'll know what I mean

It's the (A) season (A7)

Let your (D) love fly like a bird on the wing

And let your (A) love bind you to all living things

And let your (E) love shine and you'll know what I mean

That's the (A) reason

There's a (A) reason for the (Amaj7) warm sweet nights

And there's a (A) reason for the candle light

Must be the (E) season when those love lights shine all (A) around us

So let that (A) wonder take you (Amaj7) into space

And lay you (A) under its loving embrace

Just feel the (E) thunder as it warms your face

You can't (A) hold back (A7)

Chorus (2 times)
