**(C) Every star above knows the one I love
(G7) sweet (C) Sue (G7) just (C) you
And the (G7) moon on high knows the reason why
sweet (C) Sue (G7) it's (C) you**

**No one (C7) else it seems ever shares my dreams
(F) without you I don't know what I'd do
In this (G7) heart of mine you live all the time
Sweet (C) Sue (G7) just (C) you**
